REMIX AND IMPROVE

"It's ***not*** where you take things from – it's where you take them to." *Jean-Luc Godard*

Take a look at your past projects.

Imagining that this is your first time seeing and hearing this project, what are your ***first*** impression on your:

Title •
Concept •
Execution •
Production •
Editing •
Overall Delivery •

Ask yourself:

What things in the video worked, what did you like? Why? Think about the direction, production, techniques and music.

•

What things didn't work, what was the video missing? Think about the execution of the idea, production value, stylizing.

•

Now think about:

Videos, directors, youtubers, or projects etc. that you want to emulate.

•

What are you drawn to from their work?

•

What elements can you ***remix*** into your own project?
